

WOLASTOQEY NATION IN NEW BRUNSWICK

Matawaskiye • Neqotkuk • Wotstak • Biliжk • Sitansisk • Welamukotuk

EMPLOYMENT OPPORTUNITY

Fisheries Analyst

Term: March 2026 – March 31, 2027 with potential for extension

Overview:

The Wolastoqey Nation in New Brunswick (WNNB) is a not-for-profit organization that represents the six Wolastoqey communities in New Brunswick: Matawaskiye, Neqotkuk, Biliжk, Sitansisk, Welamukotuk, and Wostak. It was formed in 2017 to provide strategic advice, high-quality scientific analysis, and technical support to Wolastoqey communities on resource development matters that impact Aboriginal and Treaty Rights. Since our inception in 2017, WNNB has built a passionate and highly motivated team of technical and legal experts and a workplace that values interdisciplinary collaboration. Our organization is committed to achieving justice, equity and self-determination for the Wolastoqiyik. To learn more about our organization and the work we do, please visit wnnb.wolastoqey.ca.

We are seeking an organized, self-motivated individual with experience in freshwater or marine fisheries, or a related environmental field to join our team as a Fisheries Analyst, reporting to the Fisheries Lead.

What you will do

- Analyze resource development proposals, regulatory applications (e.g. Environmental Impact Assessments, Fisheries Act Authorizations) and new policy/legislation to understand impacts on fish, aquatic habitats, and Wolastoqey harvesting rights
- Communicate your analyses to Wolastoqey communities and gathering input from Wolastoqey members regarding impacts to harvesting rights
- Contribute to Wolastoqey-led fisheries and environmental management plans
- Develop strategic research proposals and funding applications to support WNNB's consultation efforts and Wolastoqey communities' goals regarding fisheries management.
- Contribute field research design and collection of fisheries and environmental data, as well as baseline and post-project monitoring
- Help build technical capacity within WNNB and Wolastoqey communities

Qualifications (required)

- Bachelor's degree or greater from a recognized post-secondary institution in a subject area relevant to the position (e.g. Biology, Zoology, Ecology, Environmental Management, Fisheries Management, Marine or Freshwater governance, Environmental Law). WNNB will also consider applicants with equivalent experience who do not hold a post-secondary degree or diploma
- Knowledge of New Brunswick's marine and/or freshwater ecosystems, their species, and the threats and stressors they face.
- Comfortable with software such as Microsoft Word and Excel

- Ability to understand, summarize and critically evaluate scientific documents and literature.
- Excellent communication skills demonstrated through written and/or oral formats.
- Ability to prioritize work and manage multiple ongoing projects.
- Organize and maintain detailed records
- Maintain confidentiality at all times

Qualifications (considered an asset)

- 2+ years' experience or equivalent post-graduate education working in a field related to the position
- Knowledge of New Brunswick's indigenous peoples, as well as the Peace and Friendship Treaties and the crown's Duty to Consult and Accommodate
- Experience working within or partnering with Indigenous communities
- Familiarity with the concept of Two-eyed seeing
- Knowledge of relevant federal and provincial environmental legislation and regulatory processes
- Ability to prepare funding applications, manage budgets and complete reporting
- Ability to supervise field staff
- Familiarity with scientific, statistical and mapping software (e.g. R, ArcGIS, QGIS)
- Familiarity with field data collection techniques in fisheries, limnology, freshwater and/or marine ecosystems

Remuneration is commensurate with qualifications and experience. Wolastoqey Nation in New Brunswick offers competitive salary and generous pension and benefits to our employees. The **Salary Range for this position is \$60,000 - \$73,000**, commensurate with education and experience.

Working location is 35 Dedham Street, Sitansisk (St. Mary's First Nation, NB). This role will require working from our office a minimum of two days per week.

Applications (Resume and cover letter) should be submitted in confidence via email, with the subject line "WNNB Fisheries Analyst" to: human.resources@wolastoqey.ca or via [indeed.com](https://www.indeed.com). The deadline for applications is Feb 22nd 2026, with interviews to be held February 23-27.

WNNB hires based on merit and is committed to employment equity. We encourage all qualified persons to apply; however, **preference will be given to individuals with an Indigenous background as per section 42 of the Human Rights Code**

Candidates who currently hold elected political office will not be considered for this position
